PHILANTHROPY THAT MAKES A DIFFERENCE

Our beneficiary partners were asked to send us their best photos demonstrating the impact of their engagement, or what they hope to achieve with the support of the foundations under the aegis of Fondation de Luxembourg.

An independent jury, chaired by Delphine Munro, Head of Arts & Culture at the European Investment Bank, has pre-selected 30 pictures among all those received. These pictures are presented on the following pages.

Beneath each photo you will find the project description, the name of the beneficiary partner, the location of the project, as well as the name of the foundation that has supported it.
